

HANCOCK

SOUTH RANGE WRESTLERS
WIN TOURNAMENT HONORS

Karl Lehto of South Range easily defeated contestants in events at Hancock Saturday evening, and takes first prize—several challenges are issued during the tournament.

Karl Lehto, the "South Range giant," was the winner of the first prize in the big wrestling tournament concluded at the Kerredge theater Saturday night. The second prize went to G. Gronlund, also of South Range. Hyttinen of Chicago took third, and Peter Karkkainen, still another South Range athlete, received the fourth prize. Lehto was the star of the tournament and easily bested his opponents.

The bouts of the evening resulted as follows:

G. Gronlund threw Heitakangas in seven minutes.

Karkkainen and Tulppo wrestled half an hour without a fall.

Lehto threw Wirtanen in 6½ minutes.

Hyttinen threw Peter Harrington in 2½ minutes.

Lehto threw Hyttinen in 1½ minutes.

Lehto threw Gronlund in 11 minutes.

The bout between Karkkainen and Tulppo, both South Range men, was the longest of the evening, going thirty-five minutes without a fall. It was then decided to toss up for the match and Karkkainen won.

There was a larger crowd on hand Saturday night than at the opening of the tournament on Friday. The tournament was a decided success and the interest displayed may possibly result in other similar events being arranged in the near future.

"Germany" Schultz announced during the evening that he was not in condition at present, but would challenge Karl Lehto for a match to take place in three or four weeks. Lehto accepted the challenge and said that he had \$100 to put up as a side bet. Tim Harrington also challenged Lehto, to a match in mixed Cornish and catch-as-catch-can styles, which the latter agreed to take up after he had met Schultz. Harrington also expressed a desire Saturday night, in conversation after the conclusion of the tournament, to meet Ziehr, who is now in Seattle and said that he would follow him west to arrange a bout.

SCHOLLER IS PRESIDENT
OF OPTOMETRIST BOARD

Dr. P. Scholler of this city, who returned home Saturday from Lansing where he attended the first meeting of the new state optometrists' examiners board, was elected president of that body by the other members, in recognition of his efforts to secure the passage of the bill through which the establishing of the board was brought about.

The meeting of the board was held last Thursday, and besides the election of a president, Ernest Elmer of Muskegon was chosen secretary and treasurer. A set of rules and regulations was framed, which will be adopted at the next meeting of the board to be held on Dec. 28, at Grand Rapids. The rules are for the regulation of examinations of applications for licenses to practice optometry in the state. At the meeting Tuesday a form of certificate for those successful in passing examinations was adopted.

Dr. Scholler is one of the most prominent practitioners of optometry in the state of Michigan, and his election as president of the board, which was recently appointed by Governor Warner, is a well deserved honor, greatly pleasing to his many friends in this city.

CONTRACT FOR WATER PIPE
IS AWARDED TO ULRICH

The board of public works held a special meeting Saturday afternoon, the purpose of which was the opening of bids for furnishing the city with 1,600 feet of cast iron water pipe, to replace some that had been used for extending mains in east Hancock and on Emery street. The most favorable bid received was that of Charles B. Ulrich, representing the United States Cast Iron Pipe and Foundry company, of Chicago, the same firm which supplied the big former consignment for the west Hancock water extension. The board also considered the matter of ordering hydrants, and discussed the question of adjusting water rates in several instances where there are disputes relative to the amounts to be paid. No action was taken in the latter matter.

KNIGHTS OF KALEVA HOLD
INTERESTING SOCIAL SESSION

The big county reunion and social session of the Knights of Kaleva held Saturday night in the Kauth hall under the auspices of the local lodge of Hancock was attended by about three hundred persons, including large delegations from Calumet, Lake Linden, South Range and other places. A sumptuous banquet was served and an interesting program of addresses and music was provided for the entertainment of the visiting Knights and Ladies of Kaleva. Addresses were made by Henry Mollanen of Calumet and Dr. H. Sorenson and vocal and instrumental selections were given by several of the ladies, including a ladies quartet, who were greatly appreciated. The occasion was the celebration of the third anniversary of the institution of the local lodge of the order and was highly successful and very enjoyable in every respect. The order is enjoying a successful career in this county and all the lodges are growing rapidly in membership, so that the Knights of Kaleva and its sister organization, the Ladies of Kaleva, is now one of the most progressive societies in the county.

BROKERAGE OFFICE
ESTABLISHED IN HANCOCK

Alterations are being made in the basement of the Superior National bank on Reservation street, formerly occupied by the offices of the Hancock Consolidated Mining company, to prepare the rooms for occupancy and use as a brokerage office. J. C. Donahue has a force of painters at work in the new offices, and it is expected that the blackboards, office fixtures, wires, etc., will be installed in the course of two or three weeks. Boston and New York stocks will be handled and curb quotations will be received, and in short a regular brokerage business will be conducted. Announcements regarding the manager and other details will be announced when the office is ready to begin handling business.

RETURNS FROM VISIT.

Mrs. J. N. Mitchell returned home yesterday from a two weeks' visit to the Soo, Newberry, Ishpeming and Negaunee. Mrs. Mitchell attended the grand lodge meeting of the Daughters of Rebekah, held at Sault Ste. Marie last month, as the delegate from Holly lodge of this city, after which she spent a week visiting her daughter, Mrs. Leonard Peterson at Newberry. Afterwards she went to Ishpeming where she spent several days at the home of her aunt, Mrs. Frank Holman, and also visited Mrs. Nichols, a sister of Mrs. Peter Holman of this city. Mrs. Nichols is eighty-six years old and she presented to Mrs. Mitchell a highly valued heirloom of the Holman family in the shape of an antique platter which belonged to her grandmother and which is over a hundred years old.

HUNTERS LEAVING.

A party consisting of J. D. Crawford, A. L. Levy, A. L. Hamilton, H. Z. Brock, Andrew Bram, Dr. K. V. Armistead, Dr. R. W. Mass and Messrs. Anderson and Wheeler and Anderson of Baraga left this morning for the woods to be on hand at the opening of the deer season. Others are also leaving and Hancock will be well represented when the season opens Wednesday.

ARMY DEFEATS NAVY IN
SPLENDID FOOTBALL CONTEST

Company G's Eleven Wins From Hancock Naval Reserve Team by Score of Six to Nothing in Hard Fought Battle Witnessed by Big Crowd of Spectators at Driving Park Yesterday.

Twice in a week have the soldiers of Company G, beaten the Naval Reserve in athletic contests. Last Tuesday the soldiers won in an indoor baseball game and Sunday afternoon they defeated the sailors in the great football battle waged on the gridiron at the Hancock driving park. The score was six to nothing, made during the earlier part of the first half. For the rest of the game the Hancock team not only prevented the soldiers from again scoring but for the most part kept the ball continuously in the enemy's territory and were twice on the point of making a touchdown when the whistle blew for time.

Both teams were in excellent form and played a fine game, the soldiers having slightly the advantage in point of weight, while the navy team, which comprised a number of former local high school stars, was superior in skill displayed. Waara, Coon and Beauchamp played a star game. Barnes, Shea and A. Anderson of the Army team did excellent work, Anderson making the first touchdown, in twenty-three minutes of play and Barnes making the goal kick. The score then stood six to nothing, with about two minutes to play. Before scoring the soldiers kicked west and had the wind in their favor. Then the teams changed goals, and after the ball was again put in play, Hancock forced the fighting by slow gains, every inch hotly contested by the soldiers, when a couple of runs by Waara and Weatton brought the Navy team closer and closer to the goal, and would undoubtedly have scored but for the referee's whistle signaling that time was up. Weatton had the ball and just as the whistle blew he planted it across the line, which, however, did not count.

Shortly after the ball was kicked off for the second half Waara got the ball and by a long end run for the soldiers carried the ball to the Army's ten-yard line. For an offside play the team was penalized and put back. Erickson got the ball and carried it forward several yards, but was tackled by Anderson. Steadily the navy team continued to gain and were again within a couple of feet of winning when again the whistle blew, without their having scored, and the game finished with the score six to nothing.

The crowd was one of the biggest that has turned out to witness a football game in the past three or four years, there being about eight hundred people present, about evenly divided between Army and Navy rooters. The sailors and their friends wore ribbons of yellow and blue, the Naval Reserve colors and carried a standard bearing the letters "M. N. R." (Michigan Naval Brigade) in yellow letters on a blue shield. A squad from Company G marched out to the grounds with the bugle corps and greeted the result by sounding the various bugle calls.

Major Edward Heckel was referee and Prof. S. R. Claflin, umpire. The other officials were: Timekeepers, McDougall, Pope and Edwards; head linesman, Rowell and Wright. The teams lined up as follows:

Militia—Center, Haas; right guard, Prince; left guard, O'Leary; right tackle, Kutschied; left tackle, Cahoon; right end, C. Anderson; left end, Sullivan; quarterback, Barnes; right half back, Shea; left half back, Allee; full back, Captain A. Anderson; substitutes, Dwyer, Doetsch and McCarthy.

Naval Reserves—Center Erickson; right guard, Smith; left guard Jarvin; right tackle, Brock; left tackle, Westman; right end, Cowling; left end, Coughlin; quarterback, Coon; right half back, Nikkila; left half back, Captain Weatton; full back, McLean; substitutes, Doyle and Rodda.

The proceeds of the game will be applied to a fund that is to be raised to provide a rifle range for the joint use of the naval reserves and the militia.

DYNAMITE CAP EXPLODES,
DESTROYING BOY'S FINGERS

Dynamite 2 r.
George Heide, Aged Ten, Loses Two Fingers of Left Hand and Badly Lacerates Another While Playing With Explosives Found by Some Boys in West Hancock.

George Heide, aged ten years, and living in west Hancock, met with a very painful accident last evening while playing with some dynamite caps that had been found by some companions, losing two fingers of the left hand in consequence.

Some boys had found a box of the caps in the vicinity of the locality where the new railroad spur for the Hancock mine is being constructed, and not knowing the dangerous nature of their find, were playing with the explosives in the vicinity of Sullivan's curve on Railroad avenue. They amused themselves by removing the caps from the shells for the purpose of using the latter as whistles. They had successfully operated upon several without serious results, when one that young Heide had in his hand suddenly exploded with great force, destroying the second finger and the thumb, and injuring another finger so badly that it is doubtful if it can be saved.

Mr. and Mrs. Charles Heide were away from home when the accident happened and did not know of the accident until their return late in the evening. The boy was hurt at about half past 7 and as his parents were away he went to the home of his grandmother a short distance away, where a physician was summoned, Dr. Powers and Matchette dressed the injured hand and the boy is now doing as well as can be expected, though still suffering considerable pain from the injury. It is regarded as very fortunate that the accident was not more serious, as the youngster might have been killed had the cartridge happened to have been pointing towards his body. There were seven or eight other boys and girls standing around, and their escape from being injured when the explosion occurred is considered to have been very narrow.

BUSINESS MEN WORKED.

Woman Gets Money and is Said to Spend it for Booze.

A number of Hancock business men with charitable inclinations have been called upon during the past week by a woman, begging for assistance for herself and husband, claiming that the latter was sick and unable to work and that they had no money to buy food or medicine. She told so pitiful a tale, that the sympathies of many were aroused and she was given sums ranging from a dollar upwards. One professional man to whom she applied, after giving her two dollars, thought that he detected a strong odor of liquor and on thinking the matter over after her departure, decided to investigate. He followed her to the hotel where she said she and her husband were staying and found that the couple were busy enjoying the contents of a bottle of whiskey that had been purchased with the money they had received. Word was circulated among the business men of the nature of the case and it is probable that the couple will be ordered out of town by the police.

ALLEGED ROBBERY.

The police are working on a case of alleged burglary that occurred in a Franklin street saloon in Hancock last week. The former proprietor of the saloon, John Salo, has gone away and the place was being run by another man. Chief Tibor learned of this and closed the place up. The following night it is claimed someone entered the saloon and removed about two hundred dollars worth of cigars and liquors. The police have a clue which they are following up.

HANCOCK BREVITIES.

Chief of Police Mitchell has received a request that the Hancock fire department affiliate with the State Firemen's association, which holds its annual meeting at Bay City next June. J. C. Wareham left Saturday for Toronto to attend the convention of the International Barbers' union. The funeral of the late J. C. Flynn was held yesterday afternoon from St. Patrick's church, and was attended by the local division of the Ancient Order of Hibernians of which he was one of the charter members.

TORCH LAKE NEWS

AMATEUR BOXING CARDS
ARE VESY SUCCESSFUL

The amateur boxing contests staged at the Lake Linden theater Saturday evening were very good and the attendance was better than was expected on the initial performance. There were good preliminaries in which four youngsters participated.

The main exhibition of the evening was one of the best amateur contests witnessed here for a number of years. The participants were John Roth and Peter Levesque, two Lake Linden young men whose clever exhibition pleased the fans.

Similar events will take place every Saturday evening, and there is every indication that they will be attended by large crowds. The object of these events is to practice athletics among the younger element and the contests are open to the whole copper country.

SCHOOL OF INSTRUCTION
AT COPPER LINK HALL

There will be a school of instruction for the members of Copper Link lodge, No. 124, I. O. O. F., tomorrow evening. The new work will be exemplified by the grand lecturer of the state, W. R.
